**JLN Construction Services, LLC named Partnered Contractor with
Hensel Phelps, General Contractor at
Marriott Residence Inn Baltimore at Johns Hopkins**

Baltimore, MD (November 17, 2015) – JLN Construction Services, LLC (JLN) is pleased to announce the partnership with Hensel Phelps in the construction of the Marriott Residence Inn Baltimore at Johns Hopkins Medical Campus.

JLN has over 17 years in the construction industry and we are very proud of this milestone and will execute in confidence with our partner Hensel Phelps. Hensel Phelps is a General Contractor that Plan with Ingenuity, Build with Integrity, and Manage with Assurance.

The slogan for the Marriott Residence Inn Baltimore at Johns Hopkins Medical Campus is “Embracing the Future, Let’s Change the World One Building at A Time.” JLN’s slogan is “If you can Dream It, We can Build It.” So we are very proud to partner with Hensel Phelps who Plan. Build. Manage. in the construction industry.

The Marriott Residence Inn Baltimore at Johns Hopkins Medical Campus will provide its guests the comforts of home and the lifestyle amenities of a boutique hotel, while encouraging a strong connection to the local community and its natural surroundings. This project will provide jobs for Baltimore City residents, students at Johns Hopkins University and provide business for local businesses.
